FABIENNE PIMENTA · SENIOR PRODUCT DESIGNER

Hello, I'm Fabi, a designer who has an holistic approach to product design. My current focus is project leadership, collaborating in design sessions, drive workshops and use systems thinking to ensure the best user experience. My ambition is to lead and manage a design team.

I'm passionate by dogs, sports and concerned about the enviornment. Non-relevant information: My last name, Pimenta means pepper in english :)
